

ND-G25

ND-G25TBG is a fully automatic vertical packaging machine designed for roasted coffee beans. Compatible with roll film for high-volume production, it supports vent valve installation to preserve freshness and extend storage duration. The integrated electronic weighing system ensures precise weight measurement for each package.

Why Brands Choose ND-G25

- **Premium Design**
Four-edge heat sealing + 3D embossed edges for shelf impact and consumer appeal.
- **Multi-Product Compatibility**
Handles coffee beans, pet food, snacks, frozen goods; vent valves for freshness.
- **Transparent Monitoring**
HD safety door enables real-time process visibility.
- **Six-Zone Temp Control**
Independent 4V+2H sealing for PP/PE/aluminum foil with flawless sealing.
- **Top-Tier Components**
Schneider/Mitsubishi PLC • Omron PID • SMC pneumatics.
- **Smart Integration**
Syncs with feeding, metal detection, coding systems (client-proven reliability).
- **Easy-Clean Design**
Food-grade frame material, rapid maintenance, minimized downtime.
- **15+ Years Lifespan**
The core components have an extremely long service life and can operate continuously and efficiently for more than 15 years.

Technical Spec

Speed	20-30 bags/min
Max width	520mm
Bag size	L:150-400mm W:100-245mm
Bag gusset width	10-50mm
Sealing width	5-10mm
Air source	≥0.6Mpa
Air consumption	0.3m³/min
Power supply	220V/380V,50-60Hz, 5Kw
Machine	1377*1926*3484mm ; 1400KG

Flexible Bag Options

Bag type:

Quad seal bag, quad seal bag with one way exhaust valve, Edge Folding & Heat Sealing.

Packaging Materials:

Aluminized film, paper-plastic composite film and various laminated film.

A variety of sealing methods for customers to choose from

Quad Seal Standard Bag With Valve

Quad Seal Standard Bag

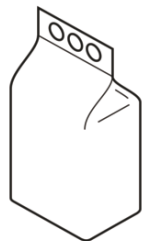

Flat Bottom Bag

Bag With Euro Hole

Bag With Carry Handle

Bag With Finger Grip

Business Benefits That Matter

Choosing ND-VFC250 is more than a machine – it's a commitment to:

- **Brand Value Elevation**
Craft instant shelf impact with premium packaging aesthetics that captivate consumers at first sight.
- **Production Efficiency Leap**
Achieve 90% uptime to slash operational costs while maximizing output.
- **Long-Term ROI**
15-year stable performance with 52% reduction in per-bag packaging costs.
